

1. Brushy Creek Trail

- Coordinator: Elaine Campbell
- Type: Long-term, completed 2008
- Time Frame: 2005-2008
- Volunteers: 35
- Donated: \$7,000
- Grant: \$50,000 DNR
- Purchased: \$30,000
- Total: \$137,000

The Brushy Creek Trail is a .3 mile long paved/graveled trail that meanders along Brushy Creek showcasing dolomite bluffs, native trees, animals, butterflies, wildflowers and birds. It includes a trail head pavilion, covered picnic table, ADA accessibility and benches. It is a part of the Village Trail of Houston, Missouri and held it's Grand Opening on May 31, 2008.
