The Community Wide Jr. Pride (15 youth members) take pride in their community and work hard to give back in a lot of different ways through the year. In summer 2008, the CWjrP youth adopted Highway A that runs through the City of Higbee from city limit sign to city limit sign. They have cleaned city streets four times a year in striving to make their home town a clean community to live in. The CWjrP members have also refurbished the city park by painting and landscaping the Katy Park and painted new lines on the basketball court. Also, members worked at the Higbee City Cemetery to prepare the area for Memorial Day 2009 by mulching all trees within the cemetery.
