Pancake Breakfast 2009

We held 3 pancake breakfast this year. One Saturday in February, March & April. The pancake breakfast was held to bring the community together, to visit with families that we just pass any other day of the month. We also held these to invite families to get involved in the community and to take pride in the town that there family lives and maybe works. We also raised a few dollors to just have for possibly when someone gets sick to bring them lunch or supper. Maybe if they are elderly we might be able to hire someone to mow or do odd jobs around the house. This is kind of like a rainy day fund. We had anywhere from 5 people working to 15 people working. The cost of the 3 total was about \$125 plus we had donations of the bacon and sausage from a local butcher. Any project that is done in town was done by the community betterment because everyone in town and around the town belongs and is striving to make the community a better place.
