At age nine, Josh was diagnosed with a rare form of bone cancer and given a fifty percent chance to live. He spent a year on chemotherapy treatments and his left leg was amputated. Doctors declared Josh cured of the disease at age thirteen and he took up ski racing three years later.

He trained for the next six years and in 2006 he was named to the US Paralympic Ski Team for the 2006 Paralympics in Turino, Italy. Today, Josh represents the United States in international competition as a member of the U.S. Amputee Soccer Team.

## Community Visits

As many of you know, one of the benefits of participating in MCB is an annual community visit from an MCB Staff Member.

I have begun scheduling visits for the first quarter of 2017. If your community would like to be placed on the schedule, please contact [Teresa Keller](mailto:Teresa.Keller) or 660-383-1034.

Be sure to visit our [MCB Facebook page](#) for community updates, grant opportunities, upcoming

events and more!

## We want your Input.....

What would you like to learn more about? MCB Communities receive access to 5 educational webinars each year and we would like to ensure the topics are relative to your needs. If you have an idea or specific area of interest you would like to learn more about, please let [Teresa Keller](#) know.

### Staffing Change

Christa has been offered a great new opportunity that will allow her to build off her experience she gained from working with MCB these last two years. She has decided to move forward with this opportunity and her last day of employment with MCB was just shortly before the conference. We're excited about the new opportunities ahead for Christa and MCB.

Teresa Keller has been appointed Interim Executive Director and will be the point of contact for all MCB services and information until further notice. You can contact Teresa by e-mail at [Teresa@MOCommunityBetterment.com](mailto:Teresa@MOCommunityBetterment.com) or via phone 660-383-1034.
