STATE YOUTH AWARD NOMINATION

RACHEL LILEY

PLEASANT HILL, MO

I would like to nominate Rachel Liley for the state youth award as presented by MCB . Rachel is presently a senior at Pleasant Hill High School and has attended the state MCB meeting as a student representative for the past three years.

The “We Give” committee was formed four years ago by the adult CBA and consists of 40 high school students. Rachel has been selected president of this organization for the 2014-15 school year. Rachel is very deserving of this office because of her hard work in promoting projects in our community and school system.

Being a former high school administrator for over 20 years, I have worked with many talented young people. Rachel ranks at the top of all the students with whom I have been associated. She not only possesses leadership skills, but has been extremely active in the community. During the 2014-15 school year, Rachel will serve as president of the Distributed Education Clubs of America(DECA), Future Teachers of America(FTA), FCCLA, “We Give” (Youth CBA), and Color Guard.

Rachel has been active in seeking ways to improve both our community and other communities in need. Rachel visited Mississippi on a mission trip where she helped clean trailer homes for victims of a flood and helped build new homes. She has been active in visiting organizations in the Pleasant Hill area to promote Rachel’s Challenge in both our school system and community.

Presently, Rachel is planning the “Curb Painting” project for the “We Give” group. House numbers will be painted on curbs with a reflective substance placed on

each number for better visibility at night.

I look forward to working with Rachel this year; she is an outstanding young lady.

Rachel will be a tremendous asset to whichever community she resides in after college

Without a doubt, Rachel has the highest recommendation I could give.

Respectfully submitted,
