Missouri Community Betterment

Our mission is to celebrate and connect Missouri communities to each other and a network of resource providers to empower them to improve their quality of life.

Our vision is "Missouri communities empowered to improve their quality of life."

HOW DO COMMUNITIES BENEFIT?

"Participating in MCB for all 55 years has given Albany the framework and tools our citizens use to plan and implement community improvement projects. The beauty of MCB is that year to year different people lead projects with good assurance they are following short-range plans that lead into the long-range future of our community development strategies. You can't put a price on the value Community Betterment gives to the past, present and future of Albany, Missouri."

- Kathy Morgan, Albany Community Betterment President

RECOGNITION PROGRAM EXPANSION AND COMMUNITY COACHING

Support MCB's innovative and "collaborACTIVE" effort to create and provide an easy-to-use tool in early 2019 for coaching and recognizing communities as they plan their progress, reach their goals and self-assess their betterment benchmarks. In addition to adding and updating valuable resources for participating communities, your annual sponsorship will help cover the costs of our website redesign, communications updates, community visits, conference coordination speaker fees, recognition program updates and minor general operating expenses. **Your support helps MCB empower, educate, connect and celebrate community volunteers working to better their communities!**

WHY SPONSOR MCB?

"We invest in Missouri Community Betterment because we see firsthand the success the program is having in rural communities throughout the state. While across the Midwest we are seeing Main Streets close up shop, MCB communities continue to grow and provide a better quality of life for Missourians."

- Mark Woodson, Associated Electric Cooperative, Inc.

"With similar missions it seems only fitting that our Foundation should support MCB with the work that they do. I have been very impressed with the dedication of many of the local community leaders as they attempt to make their town the best it can be."

- Ken Caspell, MFA Oil Foundation
