"Feels Like Home" Tour

Applications Due by February 17, 2017

"Feels Like Home Tour," is a rural economic growth initiative that brings specialists from economic development, workforce, tourism, and education institutions together with local officials from small communities to brainstorm viable strategies on how to grow that specific local economy and help businesses

feel at home. The tour has been held in several MCB rural communities throughout the state and is accepting applications for the 2017 Tour through **February 17, 2017**. If your community is interested in having the tour stop in your town, please visit the [MCB Website](#) for additional information and application forms. You can also contact [Teresa Keller](#) or 660-383-1037 for additional information.
