*"There are two great days in a person's life – the day we are born and the day we discover why." –William Barclay*

The Missouri Youth Civic Leaders Summit is a statewide gathering of teens and adults who are ready to engage with others on topics of leadership, service, and LIFE!

YCLS teams can be made up of local teens and adults from community clubs, councils, school groups, afterschool programs, community betterment organizations, or countywide groups.

Teams will gather with 20-30 other teen/adult groups from across Missouri and other states to network, learn, energize, and plan for action in youth-adult partnerships!

Youth-adult partnerships are a powerful and promising way for young people and adults to develop leadership while engaging in thoughtful and meaningful community work together.

Summit teams will be challenged to identify a project or event they want to do in 2019 to better their community and boost their readiness for the next stage of leadership and LIFE!
